#### **INDUSTRIAL VISIT TO RAYMOND'S INDIA, SAUNSAR, MP**

The industrial tour also termed as study visit tour, was conducted on 20<sup>th</sup> August 2016, to Raymond's Factory located at Saunsar, Madhya Pradesh. This industrial visit was planned with the objective of making the second year students aware about the functioning of an Industry and the functioning of the human resource department. As a part of their curriculum, a group of 30 students accompanied by HOD [Psychology] Dr. Deepa Balkhande & Asst.Professor Ms. Amruta Bhuskute visited Raymond's on 20<sup>th</sup> August 2016.

Permission for industrial visit was sought from the HR, and the group visited the factory. Mr. Ashish Dubey and his team helped to understand RAYMOND'S better. The students visited the manufacturing unit, observing and understanding how & what is being manufactured there. They visited every place including the canteen, and understood what facilities are being provided to the workers.

In-fact this is one of the largest cloth manufacturing units of Raymond's. Fully automated processes help to reduce the labor, and give better quality. The students interacted with Mr.Ashish Dubey [Asst HR Manager] regarding HR functioning, and understood the various aspects of Organizational Behavior, like leadership, motivation, Attitude, Prejudice, Effect of pollution, Problems of large workforce etc.

The students also visited the canteen and understood the various facilities for Male & Female workers independently. They were informed about the history of the factory, and the visit was well appreciated by the students. The students independently prepared reports based on their noting and submitted to the Psychology Department.

### **REPORT OF INDUSTRIAL VISIT TO PARLE –G FACTORY**

A visit to Parle-G factory was conducted on 21<sup>st</sup> Feb 2017. HOD Mrs Deepa Balkhande and Ms.Amrute Bhuskute along with Asst Prof. Mr.Amar Damle visited Parle-G factory on Umred Road, Nagpur. A team of 50 Students interacted with the HR Mr. Deepak, and the factory Supervisor Mr. Suresh, who helped the students to understand the functioning of a Biscuit Manufacturing Unit.

Parle-G is being visited by most of the schools and nearby colleges. They have a system of Audio-Visual Presentation before the actual factory visit. All the students along with faculty members interacted during the audio-visual presentation. The Parle-G supervisor informed about the various products of the company, and its process of manufacturing. They also told about the facilities provided to the labors and the supervisors for daily functioning.

### **PANCHAWATI VRUDDHASHRAM –HOME FOR AGED**

Established in 1961 for about 20 female students who have dedicated their lives and family for Matru Sewa Sangh, the old age home was actually a shelter and support created by this great organization in Nagpur. The students visited Panchawati Old Age Home, situated at Nagpur, Umred Road. Panchawati was build on the donation given by Late Laxmibai Chitanavis, and the director & founder of MSS Kamlatai Hospet.

Presently there are about 70 Grandpa & Grandma above 70 years of age staying in the 30 odd Independent flats/rooms available. Mr. Upadhya who himself is 80 years & is the care taker of the Vrudhashram, addressed all the students for about an hour's time. He briefed about the history of the organization, the objectives of the Old Age home, the admission criterion, the inmate details, the facilities provided, the problems with senior members, the medical facilities provided, the government support, the family troubles and the plight of the senior people.
