

SWOT ANALYSIS WORKSHOP

A SWOT analysis workshop was organised by the IQAC cell of the college on ---
-----April 2016. Dr Garima Sapre Asso. Prof and Head of the Department Of Psychology was the eminent resource person. The programme started with the introductory remarks from Principal Smt Snehal Paldhikar . Dr Suchita Marathe IQAC Coordinator elaborated on the objectives behind organising this seminar.

Dr Garima Sapre stressed on personality development to drive home the importance of individual and departmental level SWOT analysis for the quality enhancement of an institution. She related many anecdotes from mythology and history to illustrate her point. Fun filled activities interspersed the presentation to make it interesting. All the participants prepared their individual and departmental level SWOT Analysis.

Ms Amruta Gokhale and Shri Amar Damle from the Department of Psychology and IQAC members worked hard for the success of the programme. All the faculty members gave a good feedback of the workshop and said it would help them to realign their way of working.
